Hos (Eld) - Eld Form And Manner	718

Question 1

How does your fleet ensure drivers are certifying (signing) their electronic logs?

Question 2

Does your fleet allow the use of Personal Conveyance? If so, how do you monitor and control it?

Question 3

Personal Conveyance Example Discussion - A driver stops at a truck stop for his required break and finds that there are no parking spaces left. He does not have the hours left to make it to the next nearest place to safely take his break. Can he use Personal Conveyance legally? Is the driver allowed to move in the direction of the delivery?

Question 4a

Split-logging Discussion – Review each example (two logs) and determine if there is a violation and why or why not.

Question 5

Does your fleet allow drivers to use split logging? If so, what benefit is there from the use, and how do you prevent violations?

Question 6

How do you ensure that drivers are prepared for a roadside inspection? This should include how to access the instruction manual, send logs, and respond to officers.

Question 7

How do you ensure drivers have sufficient blank paper logs in their possession while out on the road?

Question 8

How do you ensure that drivers are properly entering and removing shipping document numbers and trailers as required?

Question 9

What successful techniques is your company using to minimize 11 and 14-hour violations?

Question 10

What is your biggest takeaway from your group discussion that you believe would benefit this captive meeting group?
